

MOVING IN . . . Principal Ralph E. Wilson leads the way as teacher Frank Height and three boys carry materials into a new classroom at Adams Elementary School, 2121 W. 238th St. The new plant will serve about 400 youngsters and relieve double sessions at Wood Elementary School. Boys shown are Duane Lyons and Richard and Jimmy Kell.

New Adams Elementary School to Open for First Time on Monday

Torrance's 32nd school, Adams Elementary, 2121 W. 238th St., will open its doors next Monday, April 18, to more than 400 local youngsters, according to Principal Ralph Wilson.

The new facility contains eight classrooms, two kindergarten units, shop and home-making facilities, cafeteria, and administration facilities. The cafeteria, however, will not go into operation during the remaining two months of this school year.

OPENING OF Adams will relieve double sessions at Wood School this year, with no half-day classes at either plant. However, opening of several large new tracts in the area later this year should again bring heavy enrollment.

To meet this problem, officials already are planning for additions to Adams and for a new Hickory Ave. Elementary School to serve one of the new tracts. Architects for both projects have been hired by the Board of Education.

TEACHERS AT the Adams plant will be Edna Babcock, Ruth Brooker, Betty Christiansen, Margaret Gaedke, Francis Haight, Jerry Kill, Lenora Hester, Jewell Lawrence, Margaret

Pelland, Madalyn Perry, Mary Speer and Lucille Scarborough. School clerk will be Betty Wentz.

Wilson, the new principal, has been vice principal at Fern-Greenwood Elementary School. He previously taught at Carr Elementary School. A graduate of Washington High School, Los Angeles, he holds a master's degree from SC. He is married and has one child.

World War I Vets to Meet

Torrance Barracks of the Veterans of World War I will meet for a potluck dinner Friday evening at Waleria Park preceding the regular meeting of the organization at 8 p.m., it was announced yesterday by Commander Art Hicks.

The Torrance group, organized less than a year ago, now has a membership of 30, the commander said.

Veterans of World War I, organized in 1949 with membership limited to those who served during the first world war, the organization now has 2060 barracks in the United States and the Philippines, with a membership of 155,000, Hicks said.

Four Teachers Granted Leaves For Extra Study

Four Torrance teachers have been granted sabbatical leaves for the 1960-61 school year by action of the Board of Education. All will further their education. Three of the teachers—Miss

Mary Barrett and Miss Marjorie Carey, both of Perry Elementary School, and John L. Tucker, Columbia School—will study in Europe. Mrs. Alice Hammond, Torrance High, will take a course in the African Studies Center at UCLA.
